You must tell us when you start working for yourself - that is, when you become self-employed. The easiest way is to call the Helpline for the Newly Self-Employed on 0845 9 15 45 15 . This form details the information you must give to the operator.		ficial use only
You can also now register online - go to www.hmrc.gov.uk/selfemployed and select 'register as self-employed'.	NIRS	
Alternatively, you can fill in the form and post it to us at the address shown overleaf.		
If you delay telling us you are self-employed for three months or more you may have to pay a	TBS	
penalty of £100. If you know you are registering late, please tell us the reason for the delay in the 'Additional Information' box overleaf. You must complete this form in capital letters.	SA
